

Lauren Walsh, Welfare Benefits Caseworker at Frenkel Topping, will be running the London Marathon on 22nd April 2018 in aid of local charity, Headway Preston and Chorley.

Lauren says “Headway Preston and Chorley do an amazing job of supporting brain injury survivors and their families, and I’m so pleased to be running for them in April. This will be my first marathon and although training during the winter has been tough, I know it will be worth it to raise some much needed funds for a brilliant charity. I’m just hoping it doesn’t rain on the day!”

Lauren would be very grateful to anyone who would be kind enough to make a donation, big or small. To donate, or to hear more information about Headway Preston and Chorley, please click on the following link: <https://uk.virginmoneygiving.com/LaurenWalsh3>

Thank you.
